### Maintenance

All handles should be lightly lubricated twice a year and the surface cleaned with a soft damp cloth to remove any dust or grime, taking care not to scratch the surface finish

### Packaging

#### Handles

1 handle per clam. 10 clams per box

All dimensions are in mm.  
ERA reserves the right to change specification without notice.  
It is the responsibility of the window manufacturer to ensure that the finished product meets any required safety and performance specification
